Valin Corporation Included in Top 50 Industrial Distributors for 2019

Valin included amongst world's largest distributors

San Jose, Calif. (Oct. 24, 2019)— [Valin Corporation](#), a leading technical solutions provider in San Jose Calif., was officially named to Source Today's Top 50 Industrial Distributors list. This distinction is measured by the company's 2018 success among other industrial distributors.

"We're very honored to be included on a list with such notable organizations," said Joseph Nettemeyer, President and CEO of Valin Corporation. "As the industry continues to evolve, Valin is right there, evolving along with it. We work to improve the operations of our customers and provide the very best service in the process."

Source Today's Top 50 Industrial Distributor ranking highlights the 2018 performance of the world's largest distributors.

Valin made two key acquisitions in 2019 which added to the company's robust product portfolio. Valin acquired Pacific Technical Products, adding to its automation product offering and Power Transfer Products, taking advantage of its filtration and process heating portfolio.
