Valin Corporation Named to the Industrial Distribution Big 50 List
Valin's strong 2020 solidifies its spot among the best

San Jose, Calif. (Oct. 6, 2021) — Valin Corporation, a privately held, employee-owned company providing technical solutions for the technology, energy, life sciences, natural resources, and transportation industries was listed on the Industrial Distribution Big 50 List. This list recognizes the industrial market's 50 largest global distributors based on revenue.

"We're all very proud to once again make the Industrial Distribution Big 50 list," said David Hefler, President of Valin Corporation. "Being named among the top 50 industrial distributors during such a tumultuous year with the global pandemic is truly an achievement. All the credit goes to dedicated individuals that make up our team."

The Big 50 companies are ranked according to 2020 total worldwide sales. Valin is focused on an open, adaptive workplace designed to deliver the very best customer service to its customers. Valin continues to grow organically and consistently through key acquisitions and bolstering their intellectual capital. Most recently in 2021, Valin acquired the Arizona-based Sun Automation Inc. to strengthen its already robust automation product portfolio.
