**Valin Corporation Acquires Sun Automation Inc.**

Arizona corporation strengthens Valin's growing automation product portfolio

**San Jose, Calif.** (Aug. 17, 2021) — Valin Corporation, a privately held, employee-owned company providing technical solutions for the technology, energy, life sciences, natural resources, and transportation industries has acquired Sun Automation Inc. located in Chandler, Arizona. The acquisition strengthens Valin Corporation's robust automation product portfolio. The acquisition was made effective on July 30, 2021.

"Sun Automation's geographic footprint and strong performance makes this a strategic fit for us," said David Hefler, President of Valin Corporation. "It's culture of outstanding customer service aligns very well with ours. This acquisition offers Valin a very solid platform for growth in our automation product portfolio and expansion in new territories where we are not currently represented."

"We had choices and chose Valin as our partner. Culturally they are a fantastic fit for our employees and align closely with our company values." - David Maher, Owner of Sun Automation

Sun Automation is a leading solutions provider for world-class manufacturers of industrial automation products. Sun offers a full range of complimentary product lines covering pneumatics, automation, safety, sensors, motion, and robotics.
