Valin Corporation Now Authorized Distributor for Velcon in the South Pacific

San Jose, Calif. (May 29, 2025)— Valin Corporation, a leading provider of technical solutions for the technology, energy, life sciences, natural resources, and transportation industries, announces that it is now the authorized Velcon Distributor for the South Pacific, a territory that includes Hawaii, Guam, American Samoa, Wake Islands and Tahiti.

“We are thrilled to now be the authorized Velcon Distributor in the South Pacific,” said Kari Kohonen, Director of Sales - energy/refining at Valin Corporation. “We have enjoyed a successful relationship with Velcon for years, and we’re excited about this expansion.

Valin is currently the largest Velcon stocking distributor in the Western United States, with representation in Arizona, California, Colorado, Idaho, Montana, New Mexico, Nevada, Oregon, Texas, Utah, Washington and Wyoming.

“Velcon products have an impeccable reputation, and we couldn’t be happier with our position as an authorized distributor for them,” said Norman Hall, Director of Sales - industrial / aviation. “Expanding into the South Pacific territory will open more opportunity for us to continue to grow our footprint in the industry.”

Parker Velcon filtration and condition monitoring solutions for aviation and jet fuel handling includes housings and vessel, filter cartridges and condition monitoring electronics.
